PAUL KALANITHI

FOREWORD BY ABRAHAM VERGHESE

When Breath Becomes Air

Author: Paul Kalanithi

Publisher: Random House; 1 edition (January 12, 2016)

Description: What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir.
